

# Definition of Done

## Sprint 1:

| Front-End  | Back-End   |
|--|--|
| <input checked="" type="checkbox"/> Log in and Sign up window                | <input checked="" type="checkbox"/> Register (Add Account)             |
| <input checked="" type="checkbox"/> About page displaying info about website | <input checked="" type="checkbox"/> Login                              |
| <input checked="" type="checkbox"/> Forgot password page                     | <input checked="" type="checkbox"/> Change of password/ID upon request |

| Debugging:   | Testing:  |
|--|---|
| <input checked="" type="checkbox"/> All bugs fixed | <input checked="" type="checkbox"/> All unit tests passed |

## Ready for delivery:

☒ Sprint marked as ready for production deployment by product owner

## Sprint 2:

| Front-End (Customer side)                                | Back-End (Customer side)   |
|--|--|
| <input checked="" type="checkbox"/> Customer's home page | <input checked="" type="checkbox"/> Navigate through restaurants |
| <input checked="" type="checkbox"/> Edit Profile page    | <input checked="" type="checkbox"/> Edit Personal Details        |
| <input checked="" type="checkbox"/> Order History        | <input checked="" type="checkbox"/> View Reviews/Ratings         |

| Debugging:   | Testing:  |
|--|---|
| <input checked="" type="checkbox"/> All bugs fixed | <input checked="" type="checkbox"/> All unit tests passed |

## Ready for delivery:

☒ Sprint marked as ready for production deployment by product owner

## Sprint 3:

| Front-End (Restaurant side)   | Back-End (Restaurant side)                                      |
|---|---|
| <input checked="" type="checkbox"/> Restaurant Home Page                      | <input checked="" type="checkbox"/> Edit Restaurant Information |
| <input checked="" type="checkbox"/> Edit Profile/Menu update                  | <input checked="" type="checkbox"/> Add/Remove food items       |
| <input checked="" type="checkbox"/> Order History (Completed/Pending/Ongoing) |   |

| Debugging:   | Testing:  |
|--|---|
| <input checked="" type="checkbox"/> All bugs fixed | <input checked="" type="checkbox"/> All unit tests passed |

## Ready for delivery:

☒ Sprint marked as ready for production deployment by product owner

## Sprint 4:

| Front-End (Delivery side)                                     | Back-End (Delivery side)  |
|---|---|
| <input checked="" type="checkbox"/> Delivery person home page | <input checked="" type="checkbox"/> View order information                      |
| <input checked="" type="checkbox"/> Edit Profile              | <input checked="" type="checkbox"/> View Restaurant/Customer status/information |
| <input checked="" type="checkbox"/> Delivery History          | <input checked="" type="checkbox"/> Edit personal details                       |

| Debugging:   | Testing:  |
|--|---|
| <input checked="" type="checkbox"/> All bugs fixed | <input checked="" type="checkbox"/> All unit tests passed |

## Ready for delivery:

☒ Sprint marked as ready for production deployment by product owner

## Sprint 5:

| Front-End (Customer side)  | Back-End (Customer side)   |
|--|--|
| <input checked="" type="checkbox"/> Order Cart<br><br><input checked="" type="checkbox"/> Ratings<br><br><input checked="" type="checkbox"/> Restaurant page as viewed by the customer | <input checked="" type="checkbox"/> View Restaurant page and menu items<br><input checked="" type="checkbox"/> Place Order<br><input checked="" type="checkbox"/> Payment of the order<br><input checked="" type="checkbox"/> Tracking Delivery person |

| Debugging:   | Testing:   |
|--|--|
| <input checked="" type="checkbox"/> All bugs fixed | <input checked="" type="checkbox"/> All unit tests passed <input checked="" type="checkbox"/> All performance tests passed<br><input checked="" type="checkbox"/> All validation tests passed <input checked="" type="checkbox"/> System Integration test passed |

## Ready for delivery:

☒ Sprint marked as ready for production deployment by product owner

## Definition of Done for release:

| Coding   | Testing  |
|--|--|
| <ul style="list-style-type: none"><li>[✓] Refactoring of code</li><li>[✓] Code in standard format</li><li>[✓] Code is checked</li><li>[✓] Code is inspected</li><li>[✓] Code is well commented</li></ul> | <ul style="list-style-type: none"><li>[✓] Unit Testing</li><li>[✓] Regression Testing</li><li>[✓] Integration Testing</li><li>[✓] Acceptance Testing</li><li>[✓] Validation Testing</li><li>[✓] System Testing</li></ul> |

- [✓] Design Reviewed
- [✓] No unintegrated work in progress
- [✓] Environment prepared for release
- [✓] End user document is ready
- [✓] No defects
- [✓] Ok from the team
- [✓] Live on production servers
